1 constitution of 1963. Payments shall be made for the total amount
2 of the billing by the end of the second fiscal quarter.

3 Sec. 205. (1) A hiring freeze is imposed on the state
4 classified civil service. State departments and agencies are
5 prohibited from hiring any new full-time state classified civil
6 service employees and prohibited from filling any vacant state
7 classified civil service positions. This hiring freeze does not
8 apply to internal transfers of classified employees from 1 position
9 to another within a department.

10 (2) The state budget director may grant exceptions to this
11 hiring freeze when the state budget director believes that the
12 hiring freeze will result in rendering a state department or agency
13 unable to deliver basic services, cause loss of revenue to the
14 state, result in the inability of the state to receive federal
15 funds, or necessitate additional expenditures that exceed any
16 savings from maintaining a vacancy. The state budget director shall
17 report quarterly to the chairpersons of the senate and house of
18 representatives standing committees on appropriations the number of
19 exceptions to the hiring freeze approved during the previous

26 Sec. 209. Funds appropriated in part 1 shall not be used for
27 the purchase of foreign goods or services, or both, if
28 competitively priced and comparable quality American goods or
29 services, or both, are available. Preference should be given to

2 businesses if they are competitively priced and of comparable
3 quality.

4 Sec. 210. (1) Pursuant to the provisions of civil service
5 rules and regulations and applicable collective bargaining
6 agreements, individuals seeking employment with the department
7 shall submit to a controlled substance test. The test shall be

11 the illicit use of a controlled substance on such a test shall be
12 denied employment.

13 Sec. 211. The department may charge fees and collect revenues
14 in excess of appropriations in part 1 not to exceed the cost of
15 offender services and programming, employee meals, parolee loans,
16 academic/vocational services, custody escorts, compassionate

18 services provided to units of government. The revenues and fees
19 collected are appropriated for all expenses associated with these
20 services and activities.

21 Sec. 214. From the funds appropriated in part 1 for
22 information technology, the department shall pay user fees to the
23 department of information technology for technology-related
24 services and projects. Such user fees shall be subject to
25 provisions of an interagency agreement between the department and
26 the department of information technology.

28 technology may be designated as work projects and carried forward
29 to support technology projects under the direction of the

3 projects under section 451a of the management and budget act, 1984
4 PA 431, MCL 18.1451a.

5 Sec. 216. (1) Due to the current budgetary problems in this
6 state, out-of-state travel shall be limited to situations in which
7 1 or more of the following conditions apply:

8 (a) The travel is required by legal mandate or court order or
9 for law enforcement purposes.

10 (b) The travel is necessary to protect the health or safety of
11 Michigan citizens or visitors or to assist other states in similar
12 circumstances.

13 (c) The travel is necessary to produce budgetary savings or to
14 increase state revenues, including protecting existing federal
15 funds or securing additional federal funds.

16 (d) The travel is necessary to comply with federal
17 requirements.

18 (e) The travel is necessary to secure specialized training for
19 staff that is not available within this state.

20 (f) The travel is financed entirely by federal or nonstate
21 funds.

22 (2) If out-of-state travel is necessary but does not meet 1 or

24 director may grant an exception to allow the travel. Any exceptions
25 granted by the state budget director shall be reported on a monthly
26 basis to the senate and house of representatives standing

2 preceding fiscal year that was funded in whole or in part with
3 funds appropriated in the department's budget. The report shall be

5 representatives standing committees on appropriations, the fiscal
6 agencies, and the state budget director. The report shall include
7 the following information:

9 outside this state or whose travel costs were paid by this state.

10 (b) The destination of each travel occurrence.

11 (c) The dates of each travel occurrence.

12 (d) A brief statement of the reason for each travel
13 occurrence.

14 (e) The transportation and related costs of each travel
15 occurrence, including the proportion funded with state general
16 fund/general purpose revenues, the proportion funded with state
17 restricted revenues, the proportion funded with federal revenues,
18 and the proportion funded with other revenues.

19 (f) A total of all out-of-state travel funded for the
20 immediately preceding fiscal year.

21 Sec. 217. The director shall take all reasonable steps to
22 ensure businesses in deprived and depressed communities compete for
23 and perform contracts to provide services or supplies, or both. The
24 director shall strongly encourage firms with which the department

29 continued increase in prison commitments among these offender

1 populations, the department shall explore other policy options to
2 allow for program alternatives, including department or OCC-funded
3 programs, local level programs, and programs available through
4 private agencies that may be used as prison alternatives for these

24 Sec. 406. (1) By April 1, 2008, the department shall provide a
25 report on prisoner reintegration programs to the members of the
26 senate and house appropriations subcommittees on corrections, the
27 senate and house fiscal agencies, and the state budget director. At
28 a minimum, the report shall include all of the following
29 information:

1 (a) Allocations and projected expenditures for each project
2 funded and for each project to be funded, itemized by service to be

3 transport division rates on state vehicles used to transport
4 offenders to community service work project sites.

5 (2) The community service work program shall provide offenders

17 (3) In developing annual standards, the committee shall
18 consult with interested agencies and associations. Standards
19 developed by the committee shall include application criteria,
20 performance objectives and measures, funding allocations, and

22 in this section.

23 (4) Allowable uses of the funds shall include reimbursing
24 counties for transportation, treatment costs, and housing felony

26 planning. Reimbursements for housing during the assessment process
27 shall be at the rate of \$43.50 per day per offender, up to a
28 maximum of 5 days per offender.

1 (5) The standards developed by the committee shall assign each

11 conjunction with funds awarded under grant programs established
12 under that act. Due to the need for felony drunk drivers to be
13 transitioned from county jails to community treatment services,
14 local units of government shall utilize funds received under this
15 section to support county sheriff departments.

18 the control account shall be distributed as necessary into separate
19 accounts created to separately identify costs for specific
20 purposes.

21 (2) Quarterly reports on all expenditures from the inmate
